HOW IT WORKS!

Hybrid EDITION!

EVENT STRUCTURE

JIM 2022 will be **in presence** for a limited number of participants (due to the social distancing still required for congress events) and **virtual** (open to everyone in the world!)

The conference sessions will be transmitted live through a **dedicated multimedia platform**. The live participation allows a high level of interaction between operators, panelists and participants.

All **webinar sessions will be recorded and available on demand** to all registered participants till April 30, 2022 on the same platform.

SCIENTIFIC INFORMATION

| COMPLICATION SATURDAY - SUBMIT YOUR CASE!

Submit your case for this exciting and new session at JIM.

We will be dedicating Saturday morning to the most important and challenging situations that Interventional Cardiologists face in the cath lab - a complication during the procedure. Share your best success or worst complication with colleagues, teach the lessons you gained from the case and learn from the experience of the worldclass JIM faculty.

Sharing complications is the best way to learn how to avoid and treat them and thus we will be holding this important session in the main arena. Complications during coronary, peripheral and structural interventions will be included and each will be given approximately 10 minutes, including Q&A. **The winner of the best case will be given a prize by the Course Directors, including free registration to JIM 2023.**

Deadline for submission is January 15, 2022.

You are kindly requested to save your presentation as a Microsoft Power Point presentation (.ppt file) and send it on a pen drive (2 copies if possible) via priority mail or courier to:

Victory Project Congressi srl, Via C. Poma 2, 20129 Milan, Italy.

The pen drive shall be accompanied by a word page reporting the title, a short description of the case and author's full contacts.

The Scientific Committee will make a selection and the names of the presenters will be reported in the final program. Notification for acceptance will be sent by January 25, 2022.

| POSTERS

Participants are also invited to submit posters.

Selected posters will be displayed in the Congress Area throughout the Meeting.

Deadline for submission is January 15, 2022.

All technical guidelines for posters are available on www.jim-vascular.com.

The Scientific Committee will make a selection and the names of the presenters will be reported in the final program. Notification for acceptance will be sent by January 25, 2022.
